

Six Characteristics of Effective Leaders

Bob Young

About 20 years ago, I was asked to present some thoughts concerning leadership at the introductory seminar for the beginning of the new school year at Ohio Valley University. The points I made are still valid today. (These have been published on the Internet by a few sources, and they are still valid today.)

Six points that will help you be a more effective leader.

1. Effective leaders are team players
2. Effective leaders don't dwell on the negative
3. Effective leaders follow their hearts
4. Effective leaders hold their ground
5. Effective leaders ask boldly
6. Effective leaders build on the foundations of the past.
